SUMMER SUCCESS CASE MANAGEMENT

Summer Success is a 6-week summer work readiness program operated in partnership with JOB1 to serve youth in need of extra support and/or who are proximate to the criminal legal system. Summer Success provides work readiness and soft skills training in fun and creative learning environments over the summer. Summer Success seeks to increase financial stability, employment access, and positive social support over the summer by matching youth with community-based, paid work readiness experiences. **Additionally, youth are provided with case management services.** Referrals are made by juvenile justice agencies, school social workers, NOLAPS, and the Juvenile Justice Intervention Center.

Scope of Work:

1. 10 weeks starting mid-May to the beginning of August.
2. 30 hours per week.
3. Provide program participants (up to 125) with referrals, connection to resources.
4. Liaise between program providers and the Office of Youth and Families.
5. Collect timesheets and attendance logs.
6. Collect and maintain data.

Social workers interested in providing case management in this program, can submit a quote for services to youthandfamilies@nola.gov

In the quote, please include:

Name, address, contact information, a breakdown of costs, and a resume or cover letter detailing case management experience.
